**Our world, 500 years from now!**

**Thanks to storm-like  
development within science,  
people are eating very well  
and living very well.**

**However, due to the rapid  
decrease in population,**

**THE WORLD IS ON THE BRINK  
OF EXTINCTION!**

People were no longer  
falling in love...

The reason was...

**BECAUSE IT WAS  
ANNOYING!**

Thanks to the  
progress of  
science,  
people became  
incredibly  
wealthy and  
their life spans  
got increased  
immensely.

Annoying...

To these people that were  
able to achieve every kind of  
pleasure and happiness there  
was with the wave of a single  
finger, love became...

Annoying...

**ANNOYING.  
CUMBERSOME.  
COMPLEX.**

**They had lost the reasoning  
behind falling in love  
and procreating.**

**And so, the people of the future  
were living their lives with  
the concept of falling in love  
becoming forgotten...**

**However!  
In order to rescue the world  
from the brink of extinction**

**A single maiden has been  
sent to the past...**

Present Day.  
One summer night at  
the Norman tower.

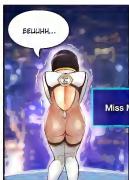

Processing current time and location. Attempting to connect to the satellite technology of this era.

It was a success. You have arrived precisely at the targeted time and date.

**SUCCESS! PHIO! I'VE  
ARRIVED IN THE PAST!**

**I'VE FINALLY MADE IT  
BACK 500 YEARS!**

I had fully processed through  
every variable. This was an  
obvious outcome.

**What?? What  
are you talking  
about?**

DO YOU NOT REMEMBER HOW YOU SENT ME  
PHOTOGRAPHS OF YOUR BODY AND AN ORBIT  
DURING OUR FIRST MEETING?

IF THAT WAS BEEN OUR ONLY MEETING,  
THEN I WOULDN'T EVEN ASK IF YOU

BUT THEN YOU ALSO SENT ME RIGHT INTO THE  
MIDDLE OF THE TOP OF THAT, I APPEARED RIGHT  
IN THE MIDDLE OF A BOLD EXCHANGE SCENE!

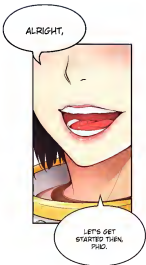

I FEEL IT THOUGHT I WAS  
GOING TO BE THE ONE WHO

IT IS A  
WONDER THAT  
I AM STILL ALIVE  
RIGHT NOW.

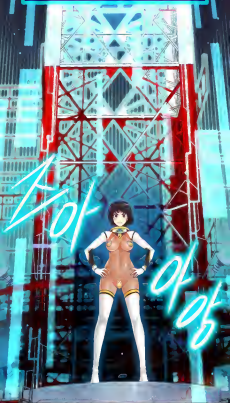

One must fail  
in order to taste  
success.

UGH... I SWEAR,  
IF YOU COULDN'T  
TALK THEN..."

WHATEVER,  
IT'S FINE.

Initiating configuration of your device.  
As planned, we will be utilizing  
the communication facilities of this  
day and age. I am in the process  
of analyzing its structure.

Analysis complete.

**-WARNING-**

The following technology being utilized means that time traveler "Kim Mia", agrees to take complete responsibility for everything that is about to take place in the current time period and in the future.  
Will you still install?

**YES**

**NO**

Beginning installation.

Installation complete.  
I am currently searching for our first test subjects. In the meantime, would you like to listen to the briefing instructions that the professor left behind?

NO... I'M GOOD.

I'VE MEMORIZED  
EVERYTHING SINCE  
I'VE HEARD IT SO  
MANY TIMES...

MIA. LISTEN WELL.  
THE GOAL OF THIS TIME  
TRAVEL IS TO...

PREVENT THE POPULATION  
DECLINE OF OUR WORLD  
THAT IS ON THE BRINK  
OF EXTINCTION.

I am to go to a time period in the past where love is beautiful.

And I'm supposed to utilize the "love activation tools" that the professor has developed, in order to help out the people that are struggling from the difficulties of love, right?

After testing out various tools, I am to choose the tool that proved the most effective at "activating love"

In order to supply it to the people of our time so that we can increase our population.

ALL THAT'S LEFT IS TO PROVE THAT A TOOL  
DOES EXIST THAT WILL ALLOW THE PEOPLE  
OF OUR TIME TO FALL IN LOVE AND ESCAPE  
FROM THEIR "IMPROVED" STATES.

JUST MAKE SURE YOU SEND ME  
TO THE RIGHT TIME PERIOD. IT'S NOT  
LIKE I CAN TEST THESE TOOLS OUT  
ON PROLOGUE.

YOU WILL SUCCEED  
THIS TIME.

YOU SAID THAT  
THE LAST TIME YOU  
KNEW?

\*\*\*\*\*

Well... It's fine. There are times  
when it gets dangerous but...

Something always works out  
as long as Philo is around.

You should be relieved that it's me who is doing this. If it had been anyone else, I'm sure that they would have abandoned the project already.

.....

MIA: COMPLETING THE MISSION IS IMPORTANT BUT THERE IS SOMETHING THAT I WOULD LIKE FOR YOU TO ACHIEVE NO MATTER WHAT.

What? Okay, tell me then~

WHAT I WANT...  
IS FOR YOU...

WITHIN THAT TIME PERIOD,  
YOU MUST...

Search complete.  
I have located the first test  
subjects for our tools.

Heaving?  
Don't you think they're  
a little too plain?

This is the meaty part of  
the data that I've gathered  
through every nook  
they've left on social media  
networking sites.

At this time, they are  
currently staying together  
in the same building.

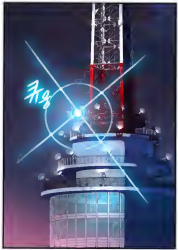

IS THAT  
SO?

ALRIGHT. THEN LET'S BEGIN  
RIGHT AWAY. PHO. TRANSFER  
ME OVER TO A LOCATION  
NEAR OUR DESTINATION.

Location confirmed.  
Transfer preparations  
complete.  
Beginning transfer.

ALRIGHT! MY FIRST  
TOOL TEST...

I WILL MAKE SURE  
I SUCCEED!
